Weddings at Masham Town Hall

Masham Town Hall is the perfect place for a friendly, personalised wedding reception and/or party.

We offer exclusive use of the entire Town Hall building from 6pm on the day before your wedding to 12 noon on the day after, giving you ample time to set up and clean up! (We can do the cleaning up for you for a small fee...)

Nothing is packaged; you decide on how you want the building to look, and what takes place. We will do as much

(or as little) as you need to help out: we can recommend a range of caterers, entertainers and wedding suppliers - or just give you the building to fill in your own way. Similarly, we can provide or arrange a bar - or you can, as long as our Designated Premises Supervisor knows about it!

Masham has two hotels and many B&B / self-catering properties, so your guests can be well accommodated.

Our Facilities

The building is fully licensed for public entertainment and sale of alcohol, and there is superfast broadband Wi-Fi throughout.

The upstairs Main Hall holds 250 standing or up to 150 seated at square or round tables. The entire room has been sumptuously refurbished recently. The raised stage (with dressing room) can be used for entertainment or a top table, or hidden behind our lovely new stage curtains. It has a small PA and stage lighting.

The downstairs Small Hall holds 100 standing or up to 60 seated at tables - perfect for a

welcoming drink, a kids' space or quiet area, or a smaller reception. There are audio-visual facilities including projection.

The Meeting Room is a smaller downstairs space, useful as a cloakroom or ancillary food preparation area.

There is a fully equipped kitchen available to hirers, including crockery and cutlery.

The downstairs of the building is accessible via a shallow ramp, and there is a lift to the first floor for the use of disabled clients.
